

## OUR EVENTS

Our regular meetings take place on the first and third Wednesday of each month at 7 p.m., on the 30th floor of Europa Business Center in Vilnius, Konstitucijos pr.7

We also arrange social events, weekend day-trips and other opportunities for members, their families and friends to meet, experience new things and contribute to the society.

Join our next meeting or service project. Please check our website and/or Facebook page for upcoming meeting details and contact our club to schedule your visit.

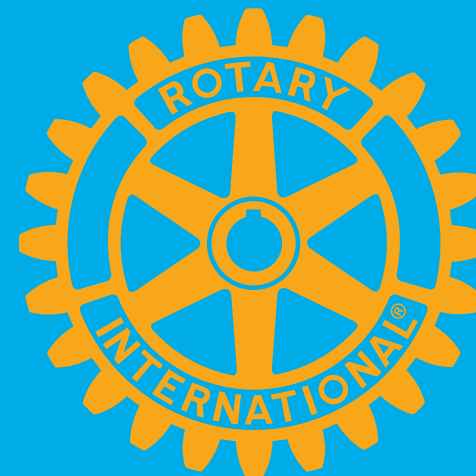

We look forward to meeting you!

## PEOPLE OF ACTION

Everyone comes to a point of time, when you want to share your skills, ideas and efforts to serve your community. Join us and make an impact both here and around the world.

We connect people of action - members from different backgrounds and nationalities, independent of their residence location - and seek to create an active, modern and vibrant Rotary club.

Our founders are some of the most active Rotarians and Rotaractors in Lithuania, with vast international experience in their professional and personal lives.

Our club is an English speaking Rotary club, newly incorporated on February 15, 2018. Join us now and create the club that you will be happy to attend and be proud of.

Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We represent different professions, experiences, and perspectives but with a shared desire to connect with others and give back to the community. There are already 52 clubs in Lithuania and 1592 Rotarians, and we seek to connect more like-minded individuals.

## MAKING A DIFFERENCE

Our motto is "Bring The World Into Your Bubble!" -

We believe we can facilitate progress and change through cooperation and community empowerment.

We encourage each other to step-out of comfortable social bubbles, to meet new people and gain new experiences that broaden our perspectives or take us outside of the comfort zones.

With access to the right resources, people can become empowered by their own abilities and gain the confidence to fulfill their potential.

We initiate or support projects based on the following criteria:

- building new skills or experiences, instead of just giving out things;
- supporting those, who help others, like teachers, doctors, nurses, social workers
- international element - through the theme, participation or other
- synergy and spill-over effects - impacting more than just a single individual.

We join efforts with external partners and Rotary clubs in Lithuanian and abroad.

## JOIN US AS A MEMBER

Membership types:

- Private membership: Regular, Family, Global (based outside Lithuania, involved in projects & online)
- Corporate membership - up to 3 individuals

Membership fees per person:

- EUR 50 entry fee
  - EUR 20 regular monthly fee, paid twice per year (EUR 240/year)
  - EUR x for club supplies (tbd later)
- Family members pay 75%, Global members - 200% of the regular fees, candidates pay entry & 3 months of regular fees prior to becoming a full member.

Here you will meet like-minded people, learn what's happening in other fields and professions, broaden your horizons and make lifelong friendships and business connections. When traveling, you can visit any Rotary club in the world and immediately be surrounded with fellows and friends.

Being a Rotarian does not take you away from your family and friends - take them along to our events experiences. Rotary expects you to attend at least 50% of meetings or contribute 24 hours per year in projects - that makes only 1 day in a
